February minutes were approved by Joe Korpiel and seconded by Gary Thies.

Historian : No report

Joe also dropped off new member applications to SGS and The Tire Store. Membership report was approved by Andy and seconded by Ken.

Safety: Gary is requesting insurance for Parkfield.

Driving: Tom Dobyms is our chief instructor for the Autocross Academy. We are expecting 30 people to sign up for the Autocross Academy. Members can sign up for the Autocross Academy and Autocross event at Motorsport Reg. For the Autocross Academy the classroom session will be held from 8-9:30 at the Jet Center prior to getting on the course to do slalom turns and braking.

We will consider whether or not CCCR should put on the "Driving Safety Class" (defensive driving) in 2015. Also mentioned was, if we should use Don Peters to put on a "Tech Session" combined with Wine Tasting. No resolution was made on either of these suggestions.

Activities: Jim Collins passed out the events calendar for the year. Jim and Chuck Stevenson will plan a 2015 events calendar by the end of this year.

Vice President: The Loading Chute breakfast location is losing its popularity. The food and cost were not favorable. Our May breakfast event will be at Hunter Ranch.

Andy is donating Free Concert tickets to SLO Opera event "Salome" Chamber Orchestra on Thursday, March 13 at Vina Robles Winery at 6:30pm. If you are interested, please RSVP by March 10 to 541-5369.

Pomar Junction event on September, 6 has a limit of 25 people. We have not yet determined the fee for this event.

President: Chuck Jennings passed out Survey Monkey results on how to continue with distributing Coastalaire to the membership.

- 96 members responded to the survey.
- 49 members voted to discontinue the printed version of newsletter and distribute a digital newsletter via email and website.
- 27 members voted to reduce the printed version of newsletter to

six issues per year.

- 21 members voted to assess members \$18/year for printed version of newsletter.

The "go-forward" proposal was to, among other possibilities, invite Colorcraft in to present their "solution" for our hard copy printing of the Coastalaire and solicit their bid for cost and timing. The other resolve was to support our advertisers/sponsors by including their logo and name as often as possible using banners, billboards, t-shirts, hats or whatever means of display.

The motion below was made by Chuck Jennings and seconded by Chuck Stevenson;

- For the remainder of 2014, we should hard-copy print the April, June, August and November issues of the Coastalaire. We should bring up the digital version of the Coastalaire on our CCCR website ASAP and also email the Coastalaire each (every) month to the membership. We should notify each Advertiser of the upcoming changes to distribution of the Coastalaire and take their feedback and of course make financial adjustments if they request credit for their advertisements that do not appear in the print-Coastalaire if the Advertisers are dissatisfied with the impact of the digital-Coastalaire.

The vote by the quorum of members was 5 *for* and 2 *against*

Meeting adjourned at 8:20 pm
